

Introducing for Patients

The REMS Companion App for Smartphones

You can now complete your REMS surveys using your smartphone.

Set up notifications to receive reminders when it is time to complete your surveys.

Download the REMS Companion App to your iOS or Android smartphone.

➡ See other side for instructions on how to download, login and use the app.

Use this QR code to download the app!

Set Up Instructions

First Time Accessing App

- 1 Open Apple's App Store or Android's Google Play, search for the **REMS Companion** app. Download and install it.
(Not available for iPad)
- 2 After installing, tap **REMS Companion** app to open.
- 3 On the Welcome screen, enter the following:
 - First Name
 - Last Name
 - Date of Birth
 - Zip Code

Then tap **Continue**.

*You may tap the **Terms of Use** or **Privacy Policy** links to read these documents if desired.*

- 4 On the Password screen, enter your password, then tap **Create Profile**.
- 5 Be sure to tap **Turn On Notifications** in order to receive reminders to complete your future surveys. A pop-up will display asking to access your calendar to add future surveys. Make sure to click **OK**. If you do not turn on notifications, you will not receive survey reminders.

Subsequent Logging In

- 1 On your phone's home screen, tap the **REMS Companion** app.
- 2 On the Welcome screen enter the following:
 - First Name
 - Last Name
 - PasswordThen tap **Sign In**.
- 3 The survey screen displays any surveys that are available to complete.

Setting up Calendar Notifications

- 1 Tap **Profile** on the bottom right.
- 2 Tap the **Calendar Sync** toggle button. 
- 3 The toggle button will turn green  and "*Calendar Sync is enabled*" will display.
